# WE ARE **NRI** Electronics, Inc.

## ANOKA, MN FACILITY

- 12,000 sq. ft.
- Founded 1983
- PCB Assembly / Box Builds / Cables/Wire Harnesses

### Key Manufacturing Equipment

- Juki KE-2080 SMT Line
- Mirtec MV-3L AOI Line
- Glenbrook RTX-113 X-ray Line
- Ace-Protech K.I.S.S. 103 Selective Solder Line
- Conformal Coating
- Potting

## ROCHESTER, MN FACILITY

- 35,000 sq. ft
- Founded 1970
- Wire Harnesses / Cables / Box Builds

### Key Manufacturing Equipment

- Automated Cut, Strip & Terminate
- Ink Jet Wire Marker: white & black
- Wire Protection: yarn - loom - metal
- Ultra Sonic Welding
- Induction Soldering
- Weather Seal Application

NRI provides Electronics Manufacturing Services in 5 major markets:

- Defense
- Aviation
- Medical
- Industrial
- Agriculture

NRI's core competencies cover PCB assembly, Wire/Cable Harnesses and Electro-Mechanical integration.

NRI would appreciate the opportunity to quote your requirements. To set up a tour or inquire about capabilities, reach us at:

We look forward to working with you

## QUALITY

- ERP—Integrated Quality Module
- ISO-9001:2015
- IPC-610 Class II & III
- IPC-620 Class II & III
- RoHS Compliant

## ENGINEERING SERVICES

Our Engineering team will assist you with:

- Harness Generation
- Reverse Engineering
- Prototyping
- Selecting alternate cost-saving products for your approval, that meets or exceeds your standards

### Digital product development using Mentor Graphics' Vesys® Harness

- Rapid graphical layout and engineering of harnesses and foam board designs
- Automatic selection of connector components, ensuring compatibility

### Quality Built-In

- Cirris Cable and Harness Test Systems
- Test program generation
- Rigorous Prototype and 1st Article Procedure
